

*The Giver* Ch. 13 questions:

- 1) On page 98, the Giver and Jonas are talking about color and the ability to choose. What conclusion do they come to about the ability for someone to choose?
- 2) What new knowledge does the Giver let Jonas have (pg. 100)? What is happening in the memory?
- 3) What happened to the previous Receiver (from 10 years ago)? What happened to the memories the Giver had transmitted to her?
- 4) How is Jonas's character changing? How is he beginning to feel about the Community? How is this different than at the beginning of the novel?
